Notes

1. This document is important and requires your immediate attention.

If you are in any doubt as to what action you should take, you are recommended to seek your own financial advice from your stockbroker or other independent adviser authorised under the Financial Services and Markets Act 2000.

2. If you have sold or transferred all of your shares in the company, please forward this document, together with the accompanying documents, as soon as possible either to the purchaser or transferee or to the person who arranged the sale or transfer so they can pass these documents to the person who now holds the shares.
3. The report and financial statements are circulated to ordinary shareholders. Only ordinary shareholders are entitled to attend or vote at the meeting.
4. The company has specified that to be entitled to attend and vote at the meeting (and for the purpose of determining the number of votes they may cast), members must be entered on the register of members 48 hours before the time fixed for the meeting, or, if the meeting is adjourned, on the register of members 48 hours before the time for holding any adjourned meeting. Changes to entries on the share register after the relevant deadline will be disregarded in determining the rights of any person to attend or vote at the meetings.
5. A member entitled to attend, speak and vote may appoint a proxy or proxies to attend, speak and, on a poll, vote instead of him/her. A proxy need not be a member of the company. A shareholder may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. To be valid, proxies must be lodged at the office of the registrars of the company (Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU) not less than 48 hours before the time of the meeting. A form of proxy is enclosed. The notes to the form of proxy explain how to direct your proxy, how to vote on each resolution, or withhold your vote. Appointment of a proxy will not preclude a member from attending the meeting and voting in person.
6. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right

to give instructions to the shareholder as to the exercise of voting rights. The statement of rights of shareholders in relation to the appointment of proxies in Note 5 above does not apply to Nominated Persons. The rights described in Note 5 can only be exercised by shareholders of the company.

7. A corporation which is a member can appoint one or more corporate representative(s) who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
8. There are no contracts between the company and the directors. A copy of the alternative investment fund management agreement with Martin Currie Fund Management Limited, which is referred to in the report of the directors, will be available for inspection at the meeting as will the register of directors' interests in the ordinary shares of the company.
9. As at 25 June 2018 (being the last practicable day prior to the publication of this Notice) the company's issued voting share capital consists of 108,550,253 ordinary shares (carrying one vote each). Therefore, the total voting rights in the company as at 25 June 2018 are 108,550,253 votes, in respect of the ordinary shares only.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the company's agent, Link Asset Services (CREST Participant ID: RA10), no later than 48 hours (excluding non-working days) before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) form which the company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instruction to proxies appointed through CREST should be communicated to the appointee by other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
